

A Dime at a Time!

The empty water bottles that will be received today will be relabelled and ready for distribution the following Sunday. The water bottles are to be filled with dimes only! Please return the full bottles and take another. We will dedicate the total amount of dimes in November/December 2017.

St. Lawrence's goal is to collect 60-100 every week, and to be collected in the box beside the main desk.

The amount of homeless teens throughout Canada has reached an all time high, and unfortunately, the situation is largely misunderstood. Homeless youths range in age from 12 to 17.

Many who do not understand the problem, ask why don't they just get a job? With no fixed address, regular meals, clean clothes or showers, it's hard to imagine going to school or finding and keeping a job.

So...this leads to the question of what you as an individual can do to help out with youth homelessness in London!

What does it take to help those who are struggling? This is just one step to major success in helping London's increasing rate in homelessness!

God Bless,
